Dear Valued Customers,

This letter is intended to inform all customers of North East Fasteners that regarding the recent release of information relating to the falsification of documentation at Kobe Steel, NEF has not used or produced any parts or products utilizing any of the materials associated with the released information.

Further, our records indicate that North East Fasteners has not used any materials coming from Kobe Steel either directly or indirectly in our manufacturing processes.

In an effort to maintain a high degree of integrity and ensure that our customers' interest are an important part of our infrastructure, NEF will continue to monitor this situation and notify you immediately should we find any additional information contrary to this writing.

Best Regards,

Howard E. Sands Sr.
